

**MAP**

**SOCIAL DINNER:**

Osteria Circo, Via dei Cerchi, 77/79, Rome

**CONGRESS LOCATION:**

Palazzetto Mattei, villa Celimontana  
Via della Navicella, 12, Rome

**DIRECTIONS:**

1) From Termini station: take the subway B-line (direction Laurentina) and get off at "Colosseo" station. Once you reach the metro station, cross the street and turn left and walk uphill around the Colosseum. Cross the road and take "Via Claudia" (the uphill road that runs along a wooded park on the right). Continue on "Via Claudia" for 400 m uphill. At the top of the hill you will see on the right a church (Santa Maria in Domnica) with in front the sculpture of a small boat (navicella). The entrance to "Villa Celimontana" is on the right just after the church. Enter Villa Celimontana and continue inside the building in front of you.

2) From Fiumicino Airport: Take the "Leonardo Express" train to Termini Station. Follow the directions above-mentioned from Termini Station.

# GS 2023

**Sensors and biosensors as strategic tools for diagnostics, food safety, and environmental monitoring**

Palazzetto Mattei, Villa Celimontana  
Via della Navicella, 12, Rome  
13-15 December 2023

**SYSTEMS**

*Electrochemical, optical, gravimetric sensors, and biosensors  
New technologies for realization of wearable and integrated systems*

**APPLICATIONS**

*Sensors and biosensors for clinical diagnostics and point-of-care testing*

*Sensors and biosensors for food safety*

*Sensors for environmental monitoring*

*Sensors networks for forensic and critical area surveillance (security)*
